WOMEN.

The hand that rocks the cradle is the hand that rules the world.

The influence of a mother, the influence of a sister, the influence of a wife. The world feels this influence. It shapes the destiny of men. For a mother's sake, for a sister's sake, for a wife's sake a man will strive to be honorable. He becomes ambitious. He becomes successful. Happy the household where the women folks are cheerful, contented, and happy. How pitiable the home where mother, sister, or wife lies ill. How grand the remedy that is suited to the ills of womanhood and that will restore nervous, sickly, aching, dependent women to health and strength.

WEAK WOMEN

Such a remedy is Dr. John Bull's Sarsaparilla. It is eminently the best remedy for the weaknesses and distress incident to and following a condition of disordered female functions. It revives, strengthens, and regulates the feminine constitution. Mrs. Mary F. Wilkinson, Jackson, Tenn., writes:

"I was a very healthy woman before my marriage, but during from a miscarriage, my health got to be very bad. My complexion became sallow. I became nervous and sleepless; I grew thin and despondent. My appetite was sickly, and what I ate laid lead upon my stomach. My hands were regular, and I suffered much pain. I used

prescriptions of several good doctors, but my ailments increased. A bearing down pain about my back and loins seemed as if it would kill me. I was subject to frequent headaches and bilious attacks. In this condition I began a use of Dr. Bull's Sarsaparilla. It seemed precisely suited to my condition. Every symptom seemed to go to the right spot. I soon showed great improvement, and my friends rejoiced at my returning health. I used it during the months of March and April, and give it all the credit for my present enjoyment of life and good health. It is a boon to weak and suffering women."

STRONG.

Nelly Davis, Helena, Ark., writes: "Dr. Bull's Sarsaparilla has improved my health wonderfully. I was greatly improved my looks. I had eruptions on my skin but they have disappeared, and I was very weak, with no appetite, and at times suffered great pain, but now I feel quite well again."

"Many a pale and sickly looking little child has been saved by its good mother giving it Dr. John Bull's Worm Destroyer. They taste good. Price 25 cents."

"Nothing makes a person feel so bad as a touch of chills and fever. Smith's Tonic Syrup is pleasant to take, and cures this ailment quickly."

This Is Pretty Good.

Mr. John C. Goodwin, a carpenter of Danville, Ill., writes: "About two weeks ago a heavy saw log fell upon my foot very badly crushing it, so that I was unable to work at all. I sent for a bottle of Ballard's Snow Liniment and kept my foot well saturated with it. It is now two weeks since this happened, and my foot is nearly well and I am at work. Had I not used Snow Liniment I should have been laid up at least two months. For healing wounds, sprains, sores and bruises it has no equal. No inflammation can exist where Snow Liniment is used. "You can use this letter."

Beware of all white liniments substituted for Snow Liniment. There is no other liniment like Ballard's Snow Liniment. Sold by H. C. Risher & Co.

Gardner, of Vistula, Ind., was cured of 40 to 50 convulsions a day, and much headache, dizziness, backache and nervous prostration by one bottle. I desire to assure my old customers that I do this out of consideration for them, as well as myself, and am sure that it will prove more satisfactory to all concerned. In adopting the cash system I shall adopt the cash system of buying for cash and of selling everything at rock bottom prices, saving money to my customers. I desire to thank old friends for their very liberal patronage for past years, and solicit a continuation of the same under the cash system. Very Respectfully,

You Should Not be Without It.

Every family is liable to have a hereditary taint of consumption in it. It may date back 3 or even 4 generations. This fact makes it necessary always to have on hand a remedy with which to combat this formidable disease. A cough when taken at first can readily be cured before it gets a serious hold on the lungs. Ballard's Horehound Syrup when taken in its early stages will cure consumption. It is guaranteed to bring relief in every case, when used for any affection of the throat, lungs and chest, such as consumption, inflammation of the lungs, bronchitis, asthma, whooping cough, croup, etc. It is pleasant to take, perfectly safe and can always be depended on.
